The Florida Housing Coalition welcomes those

WORKING TO END HOMELESSNESS

Hear from national, state, and local experts on what’s working to end homelessness. This year’s sessions keep the focus on permanent housing solutions. Live sessions combined with dozens of on-demand sessions provide a wealth of content to help enhance and further the work you are doing on the ground.

LEADING EQUITY WORKSHOP

Regina Cannon
CHIEF EQUITY & IMPACT OFFICER
C4 Innovations

Regina Cannon, Chief Equity and Impact Officer, of C4 Innovations joins us to talk about creating equitable policies, systems, and institutions and addressing marginalization of people of color in the homeless response system.

LIVE EVENTS

• Public Policy Plenary: Housing is Healthcare
• Housing and Race: Policies and Programs through an Equitable Lens
• Disaster Housing Resilience and Recovery Forum
• Housing and Neighborhood Identity: Preserving Communities of Color

30+ ON DEMAND SESSIONS

• Using COVID Resources to Strengthen the Housing Crisis Response System
• Long Term Recovery in the COVID Era: Ending Homelessness
• Leading with Equity
• Creative Housing Problem-Solving and Diversion
• Housing is Healthcare: Ending Homelessness
• Getting Rapid Re-Housing Right
• Advocacy with Results: Grassroots Efforts and Local Housing Trust Funds
• Legislative Update from 2020 Session
• Housing is Healthcare: Ending Homelessness
• Housing to the Rescue: Stabilizing the Lives of Children and Families

FILM FESTIVAL

Revisioning Recovery: Films Uncovering the Roots of Disaster is a new collection of short films that illuminate the current injustices, systems at play, and the solutions needed to prepare and respond to climate disasters. The series brings overlooked stories into the light and exposes the historical inequities that are exacerbated when disasters hit.
