## 2A. Project Detail

1. **CoC Number and Name:** FL-506 - Tallahassee/Leon County CoC
2. **Collaborative Applicant Name:** Apalachee Regional Planning Council
3. **Project Name:** 2024 CoC Planning Project Application FY 2024
4. **Component Type:** CoC Planning Project Application

## 2B. Project Description

**1. Provide a description that addresses the entire scope of the proposed project and how the Collaborative Applicant will use grant funds to comply with 24 CFR 578.7:**

The project enhances CoC operations by partially funding staff dedicated to supporting member organizations and the Governance Board. These staff members will ensure adherence to 24 CFR 578.7 and assist with various activities, including ongoing coordination of services to address homelessness, engaging current providers, and recruiting new partners. They will evaluate current housing priorities and solutions, set new goals to further address homelessness, organize the annual PIT Count, monitor and assess projects while providing feedback to enhance performance, review system-wide measures and improvement strategies, conduct training sessions, perform data quality checks within HMIS for all projects including Coordinated Entry, carry out gap analyses and needs assessments, and collaborate with state and local agencies related to the Consolidated Plans in the CoC area to tackle affordable housing issues. The CoC will continue to fulfill its obligations under 24 CFR 578.7 and report outcomes to the Governance Board, posting statistical information about services and CoC performance on its website.

This year's priorities will include: (1) expanding coordinated entry, assessment, and referrals through increased technical assistance, training, collaboration with new partners, and utilizing a prioritized By-Name list; (2) strengthening the CoC multi-county plan to involve more rural counties in the planning process; (3) continuously evaluating the needs of the CoC while prioritizing goals, grant funding, and performance outcomes; (4) increasing training opportunities for CoC-funded programs to promote consistency in applications and results; (5) enhancing provider awareness of how performance outcomes influence the CoC through data analysis; and (6) formalizing partnerships across systems to improve discharge planning by fostering collaborative relationships with correctional departments, county jails, detention centers, and hospitals

**2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.**

Grant funding will be allocated to assess, implement, and measure performance across the system to ensure compliance and improve programs aimed at reducing homelessness. Data collected will evaluate performance and serve as a basis for the Board and Committee Members to assess program effectiveness and make informed funding decisions. Quarterly updates will be posted on the CoC website and presented at board meetings.

Monthly reports detailing provided services, the number of individuals served, and funding usage will track the program's progress toward its goals, enabling the CoC to monitor success and determine if further support is necessary. The results of these reports will be shared with the board and executive committee members at quarterly meetings.

Program monitoring will facilitate assessments of progress and compliance, allowing for targeted technical assistance as needed. The CoC has scheduled quarterly training sessions for HMIS, invoicing, reports, and coordinated entry. Additionally, technical assistance meetings for providers will address issues and answer program-related questions. Should programs need extra support to meet their objectives, technical assistance will be provided, and corrective action plans will be implemented to guide them to successful outcomes and compliance. All CoC-funded programs will undergo routine monitoring throughout the program year. Regular partner calls and networking events will keep community partners, provider agencies, and the broader community informed about best practices and significant issues impacting the system of care.

The management plan will focus on implementing the governance and homelessness assistance plans to ensure alignment of needs and resources. It will utilize HMIS and Coordinated Entry data to evaluate the system's capacity to address homelessness, reduce its prevalence, prioritize the elimination of chronic and veteran homelessness, and ensure successful outcomes for grant-funded programs, including ongoing trainings for program guidance.

We will maintain collaboration with local housing authorities to address housing voucher priorities for homeless individuals through the development of Memoranda of Agreement. To enhance participation from rural counties in CoC activities, remote and virtual meeting options will be utilized.

We will continue to prioritize analysis and policy development to address racial disparities in service access and outcomes. Efforts to formalize partnerships with county jails, educational institutions, and hospitals will be ongoing. We are committed to ensuring compliance with ADA accessibility standards in all communications. Revisions to written standards, policies, and procedures for coordinated entry, rapid rehousing projects, and performance standards will continue alongside training initiatives.

**3. How will the requested funds improve or maintain the CoC's ability to evaluate the outcome of CoC and ESG projects?**

The CoC Governance Board, Project Review Committee, and CoC partners collaborate to evaluate programs' effectiveness based on grant applications and measure their success in achieving desired outcomes. To assess these programs, a monitoring schedule will be established, and program performance will be reviewed annually in line with 24 CFR 576 guidelines and the goals set by the applicants for ESG. Monitoring results will be discussed with service providers, and outcomes will be published on the CoC website and shared with the CoC Board. Additionally, the CoC will issue quarterly report cards to give providers a regular overview of their program's progress.

All projects funded by the CoC will undergo monitoring and evaluation to ensure both programmatic and financial compliance, with a focus on how well they meet performance expectations and align with CoC priorities and system performance measures. The Project Review Committee will support the evaluation of projects applying for future ESG funding to ensure adherence to 24 CFR 576.101, and they will also review and approve ESG written standards to meet HUD's minimum requirements. The results of these reviews will be shared with the CoC Board and service providers and summarized in the Quarterly Newsletter.

Funding for projects will enable staff to assess community needs, analyze performance, and direct efforts to improve outcomes, aligning funding with projects aimed at ending homelessness through CoC and ESG resources. Furthermore, it will enhance coordination of services for the homeless population and support ongoing and new strategies to address their needs. The CoC will maintain its partnership with State and City ESG funders to ensure community needs are prioritized in funding decisions. A crucial aspect of this collaboration is ensuring that representatives from city ESG funders participate in governance and planning meetings focused on needs assessment.

Re: HUD Planning Grant Match Verification FL-506

To whom it may concern,

We are providing this letter as confirmation that the Florida Department of Children and Families' Office on Homelessness holds a current contract with FL-506 Tallahassee/Leon County Continuum of Care through 6/30/2025. One of the allowed uses of these funds is to help support the local Continuum of Care (CoC) in planning costs by using these funds as match for HUD CoC Planning Grants, as needed.

Based on our communication, we understand that the CoC has budgeted \$45,000.00 to be used as cash match for the upcoming CoC Planning Grant.

If you have any additional questions, please do not hesitate to contact me and we will be happy to support in whatever way we can.

Sincerely,

A handwritten signature in blue ink that reads "Shannon Piotrowski".
